

DIRECTIONS

Route

We are located in the heart of the Netherlands at the “De Reehorst” estate, directly adjacent to the Driebergen-Zeist train station and near the A12 motorway (exit Driebergen-Zeist).

Are you taking the train?

Get off at Driebergen-Zeist station. Take the exit via the Driebergen side. Cross the road to the P&R parking structure and take a left onto the footpath. You will see Hexad Bank’s office building on your right.

You can easily plan your train journey [here](#). Note: due to the development of a new station, there are important moments to keep in mind while construction is ongoing. Take a look at the construction schedule [here](#).

Are you driving?

As a visitor, you can park in hexad Bank’s parking area. If you let your host know your car’s licence plate number beforehand, the barrier will open automatically when you arrive*. From the parking area, it is a five-minute walk to the building’s entrance. The parking area has 120 electric charging points.

If you have a disability, you may use one of our handicapped parking spaces in front of the main entrance. In that case, use the Hexad delivery entrance next to the P&R parking structure (Stationsweg 15B) and follow the road until you see the signs directing you towards the parking spaces.
